SUMMARY OF CHANGES

SECTION SF 30 - BLOCK 14 CONTINUATION PAGE

The following have been added by full text:

AMENDMENT 5**Section 01010, paragraph 10.9,**

Delete the last sentence of the paragraph provided in Amendment #1 "Each system shall be installed such that a future transceiver and antenna can be connected where a post central transmitter can communicate with the system remotely."

Replace with the following, "The mass notification control panel shall be capable of receiving both voice and data so that it may be operated from a remote central command center. The system shall also be capable of being operated through a local operator console."

Section 01010, paragraph 10.9, insert the following to the section

The mass notification system shall operate on a control panel independent of the fire alarm panel. Both systems will share the notification devices. Notification devices shall be a combination speaker/strobe fixture with the strobe being white and unmarked. All fixtures shall meet the requirements of UFC 4-021-01 paragraph 2-3.1.2. In addition one fixture will be provided in the eating area of each module. The battery back-up reserve power supply shall be equal to the fire system.
